President's Corner

Greetings BPA! What a wonderful 2010 send off with a very successful January Board of Director's Meeting in New Orleans. I am not saying that just because my home Chapter, New Orleans Golden Eagles sponsored it, but because most chapters were represented and had a voice in what was discussed. That's a good thing and I look forward to seeing many of you during 2010 BPA future events.

With that said, let's turn our focus to the annual Memorial Day Operation Skyhook in Pine Bluff and the Summer Flight Academy in July. Your support is needed for these events also.

I am pleased to announce that our guest speaker at Skyhook will be "around the world solo" pilot, **Barrington Irving**. Barrington is the first black pilot to fly around the world solo and he has agreed to spend time with us in May. His presence will have a profound effect on youth and members in attendance. Make plans now to attend. Get more details at www.bpapilots.org. Fly 'em safe.

Congratulations! Al Daniels, acting BPA Operations Officer. Thanks for volunteering.
