President's Message

Greetings BPA members! 2009 is nearly over and BPA has much to be proud of. We have accomplished much success in achieving our Aims and Purposes. I urge you to continue to support your local chapter events.

Congratulations are in order for Rip Gooch who was awarded the Wright Brothers Award by the Kansas Aviation Museum in Wichita, KS. Rip is an aviation pioneer who I am proud to be associated with.

New Orleans Golden Eagles will host the 2010 January Board of Directors Meeting. Arrangements are ongoing for a grand meeting. Make plans to attend.

Speaking of the website, have you visited it lately? If not, you are in for a real treat. The website committee has made dedicated efforts to provide a first class information system which we can all be proud of. If there is something you wish to offer, feel free to contact the website committee at www.webmaster.bpapilots.org. They will take every suggestion seriously and make every attempt to improve where necessary. On the other hand, if you like what you see, give them a pat on the back by sending expressions of satisfaction.

Next year is our election year. Your support for the organization includes selecting officers who can best serve and provide the ingredients for challenges ahead beginning in January 2011. Nominations are being taken now for the election which will be conducted during the 2010 August General Membership Meeting in Houston, TX. Contact the Nominations Committee if you wish to make a nomination.

Thank you for supporting Black Pilots of America, Inc. and fly'em safe.

Palmer Sullins, Jr. - President
